The Super Cup Youth in Santa Susanna is the second YOUTH race of the year. There will be three different circuits, one for the Prebenjami and Benjamin categories, one for Beginners and another for the Alevi and Children categories.

The smallest categories are not competitive, since the main objective is to promote the sport among the little ones, so everyone will have a participation gift medal, but in the Children's, Alevín and Beginner categories, prizes will be awarded to the three first in each category.

The number is acquired in the first race of the circuit in which you participate and will be the same for all subsequent races. (In case of loss, 5 euros will be charged for the new plate and the reassignment of the number)

PROGRAM

Rules of the CRI tests

- The approximate distance of an LRC race should be between 3 and 8 km, or a time equivalent to 5-20 minutes of running. The route may or may not coincide with the same XCO race. In any case the signalling will be specific for each race.
- The order of the exit will be reversed to the general classification of the Copa Catalana. If a participant doesn't show up at his scheduled time, he will start when the technical jury authorises it and his time will be counted from his previously assigned time. The interval between the runners will be 30". It is not allowed to use an opponents bicycle in case of a twist.
- The closing of the circuit will be effected 15' before the start.

The start will be at 9:45 a.m. on Saturday, April 6, and it is a NON-competitive Gravel ride, a mode with sectors of asphalt and/or paved track combined with forest track sectors of technical difficulty. or null.

The participants carry out a 63km route, leaving Santa Susanna and heading towards the surroundings of the Montnegre and Corredor Natural Park, to continue towards Fogars de la Selva, a nucleus that they will border closely, to later continue towards Tordera, Palafolls and finish at the same starting point, Santa Susanna, crossing the C32 through a basement passage.

THERE WILL ONLY BE ONE FOOD STATION ON THE CIRCUIT

This will be located at kilometer 41.5 of the route:

https://maps.app.goo.gl/T3nQb5BLJsRBQK5aA

Upon arrival there will be a final refreshment station for all participants.

EBIKE DAY SANTA SUSANNA

A route designed for the E-bike style, to also enjoy the views, the landscape, the route and the gastronomy, with a track that runs through 6 hills and passes through the Montnegre Natural Park.

Total distance: 33 KM (Technical) and 31 KM (basic) Solid/liquid supplies

There will be a refreshment station on the circuit that will be found at approximately kilometer 20 of the track. Content with full breakfast and on arrival there will be a good meal.
